

Dear Pet Owner:

We ask that you please observe the following policies so that we may continue to offer "pet friendly" properties to our guests. Please contact us if you have any questions regarding our "pet friendly" policies at 1-760-934-3333.

1. Never leave your pet unattended in the property. An unattended pet is the number one cause of damage.
2. Do not leave your pet unattended outside of the property at any time, even if they are leashed. The exterior of all properties is "common area".
3. Any pet must be on a leash at all times.
4. Please pick up after your pet and dispose of pet waste in the dumpsters.
5. Should your pet have an accident in the property or should any damage occur, contact the Vacation Rental Office immediately! Although you have been charged a non-refundable \$125.00 pet fee this fee does not cover any damage cause by your pet. You will be held responsible for any damage caused by your pet.

Should you need pet supplies while in Mammoth Lakes, please contact the following vendors:
